Editorial

Dear Reader,

We are delighted to publish the first edition of the Annals of Contemporary Developments in Management and HR (ACDMHR). We aspire to offer our readers with up to date scholarly information in the area of management principles, practices and human resources. The editorial team envisions taking this journal for prominent indexing through publishing quality papers from notable national and international scholars. I believe that the new journal will help scholars show case latest advancements in management practices and human resources, not only to enlighten readers` comprehension but also to contribute towards the improving business and people management practices in corporate world. Keeping this in view, the first issue offers readers with articles of contemporary nature, talking about issues such as growing paradigm shift from HRM to e-HRM; knowledge management; organizational politics; corporate entrepreneurship & performance and green organizational culture.

I on behalf of the entire editorial team welcome you on this learning journey and wish you a thoughtful reading of the articles.

Professor Peter J. Hodson
